News Release

Cancer Screening Clinics For Women

(Farmington, Utah) – The Davis County Health Department has scheduled Cancer

Screening Clinics for Women throughout May.

Each exam includes a breast exam, Pap test, and a free mammogram voucher to those who qualify. A registered nurse, trained and certified by the State of Utah, performs all exams.

Fees are based on a sliding scale.

“Regular mammograms combined with clinical breast exams by a health care provider and monthly breast self-examination are the best means to detect breast cancer early when it is the most treatable,” said Lewis Garrett, director of the Davis County Health Department.

To make a cancer screening appointment, call (801) 451-3315.
